

Strategy Fact Sheet

Aggressive Growth Strategy

As of 30th September 2022

Investment Objective

The primary objective of the strategy is to provide long-term capital appreciation through broadly diversified exposure to global equity markets, including the US, Europe, Asia and Emerging Markets.

Strategy

The strategy aims to maintain core positions in US growth and value stocks, with significant portion of the portfolio invested in non-US global stocks. The strategy invests in actively managed portfolios with a proven track record of adding alpha.

Fund Features

- ◆ Widely diversified across countries and industries;
- ◆ Core positions focused on US growth and value stocks;
- ◆ Secondary exposure to Asia, Europe, and Alternative Investments
- ◆ An investment should be considered long-term, generally at least five years.
