

# Fund Fact Sheet

## Global Balanced Fund

As of 31st March 2023

### Investment Objective

The primary objective of the fund is to provide balanced, long-term growth through an asset allocation policy that combines the long-term capital appreciation potential of global equities with short-to-medium term income features of global fixed income.

### Strategy

The fund maintains exposure to a diversified portfolio of global equities and global fixed income. This asset allocation is subject to rebalancing periodically, depending on the growth prospects and risk parameters of each individual asset class.

### Fund Features

- Diversified across countries and industries;
- Exposure to equities and fixed income in single fund;
- Capital appreciation potential combined with steady income;
- An investment should be considered long-term, generally at least five years.
