

Fund Fact Sheet

Alternative Strategies Fund

As of March 31, 2025

Investment Objective

The primary objective of the fund is to provide investors with protection from declining markets as well as the opportunity to profit from both advancing as well as declining equity markets through a long-short equity investment strategy.

Investment Strategy

The fund invests substantially in the RF Hedge Strategies Fund, which maintains exposure to a portfolio of established institutional Long-Short managers. It may also hold positions in other complimentary alternative strategies.

Fund Features

- Exposure to established institutional hedge fund managers;
- Ability to profit from both advances and declines in the market;
- Lower volatility than major stock market indices;
- An investment should be considered long-term, generally at least five years.
